## Independent registered auditor's report on the review of the condensed interim consolidated financial statements

To the Shareholders and the Supervisory Board of Echo Investment S.A.

### Introduction

We have reviewed the accompanying condensed interim consolidated financial statements of Echo Investment S.A. Group (hereinafter called "the Group"), having Echo Investment S.A. as its parent company (hereinafter called "the Parent Company"), comprising the condensed interim consolidated statement of financial position as at 30 June 2023 and the condensed interim consolidated profit and loss account, the condensed interim consolidated statement of comprehensive income, the condensed interim statement of changes in consolidated equity, the condensed interim consolidated statement of cash flows for the period from 1 January to 30 June 2023 and explanatory notes.

Management of the Parent's Company is responsible for the preparation and presentation of these condensed interim consolidated financial statements in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with the National Standard on Review Engagements 2410 in the wording of the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity as adopted by the National Council of Certified Auditors. A review of condensed interim consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial statements have not been prepared, in all material respect, in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.
