- additional information and explanations.

The Management Board of the dominant company is responsible for preparation of this consolidated statement.

Our task was to review this statement.

We have carried out the review pursuant to the provisions of the Accounting Act and to chartered accountants' code of practice, issued by the National Board of Chartered Accountants. The standards oblige us to plan and execute the review so that to achieve reasonable certainty that the financial statement does not contain any material errors.

We have carried out the review mainly through analysing the financial statement data, examination of consolidation documents and use of information obtained from the management and from persons responsible for the company's financial and accounting issues.

The scope and method of reviewing the consolidated financial statement differs greatly from studies providing grounds for an opinion expressed on reliability, correctness and clarity of an annual consolidated financial statement and we are thus not capable of issuing such an opinion about the enclosed statement.

Our review did not indicate the need to introduce any material changes in the enclosed financial statement so that it correctly, reliably and clearly presents the property and financial situation of the company as on June 30, 2005 and its financial result for the period from January 1, 2005 to June 30, 2005, in accordance with the International Accounting Standards, International Financial Reporting Standards and related interpretations published as regulations of the European Commission and, in fields not regulated by those provisions, in accordance with principles set forth in the Accounting Act (Journal of Laws of 2002, No. 76, item 694, as amended) and secondary provisions issued thereto, as well as in conformity with the requirements set forth in the regulation of the Board of Ministers as of August 11, 2004 on specific requirements applicable to issue prospectus and outline prospectus (Journal of Laws No. 186 item 1921, as amended), and the regulation of the Board of Ministers as of March 21, 2005, on current and periodical information submitted by issuers of securities (Journal of Laws No. 49, item 463).
