Independent statutory auditor's report on review of the condensed interim consolidated financial statements

To the Shareholders and the Supervisory Board of Echo Investment S.A.

Introduction

We have reviewed the accompanying condensed interim consolidated statement of financial position of Echo Investment S.A. (the "Parent Company") and its subsidiaries (together the "Group") as at 30 June 2026 and the related condensed interim consolidated profit and loss account, the condensed interim consolidated statement of comprehensive income, the condensed interim consolidated statement of changes in equity and condensed interim consolidated statement of cash flows for the six-month period then ended, and the explanatory notes (the "condensed interim consolidated financial statements").

Management of the Parent Company is responsible for the preparation and presentation of these condensed interim consolidated financial statements in accordance with International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with National Standard on Review Engagements 2410 in the wording of International Standard on Review Engagements 2410 Review of interim financial information performed by the independent auditor of the entity as adopted by the resolution of the National Council of Statutory Auditors. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.
